VOLUNTEERS: CAREER/BANK BOOTH

Responsibilities:

- Teachers will staff the bank table at the beginning of each hour to take attendance and assign careers/salaries to students.
- Give each student the ledger with their career and monthly salary for the game. Be sure to explain the differences between the budget sheets (such as M versus S status, number of children/their ages, how to calculate their balance, etc.).
- Have each student write their name on the page and mark their name off the attendance sheet.
- The bank will close when all students have been accounted for.

VOLUNTEERS: CHANCE BOOTH

Responsibilities:

- Provide a Chance Card to each student.
- Have them add a “Chance” line on their ledger sheet and record what they earned or lost. There are blank lines to add any additional Chance Cards at the bottom of the ledger.
- Every 10 minutes, spin the 5-color wheel and call out the color from the wheel. (Note: If you do not have access to a wheel, you can draw slips of paper, ping pong balls, or use an online random generator.) Students with that color paper will return to the booth for a new Chance Card and record the results in their ledger. Make sure that all colors are called out at least once before the hour ends. Some students may get more than one Chance Card.
- Initial the box on the ledger sheet to show that students have visited your booth.
- If a student draws a card regarding an expense for a child but they have no children, please have them draw another card.
- If students find themselves with a low salary, a large family, and Chance Cards that deduct from their earnings, make sure to send them to the Supplemental Income booth for advice.
- Chance money can be put into students’ monthly budgets.

VOLUNTEERS: CHILD CARE

Responsibilities:

- Make copies of the Child Care cards on the following page.
- All students will come to your booth. If they do not have children, you can initial the box on the ledger sheet to show that they have visited and let them move on.
- Have students add a “Child Care” line on their ledger sheet.
- All students with children will need to select a child care option. If the student has no children, tell them to put a 0 in the “Child Care” ledger line.
- Give students the cards that match the ages of their children and have them select a child care option to record in their ledger.
- Rates are monthly per child, and students have to deduct for each child.
- If students return to your booth needing help with their budget, please work with them and explain any changes they may need to make. (Note: They cannot change the ages of their children or choose not to have child care.)

VOLUNTEERS: SUPPLEMENTAL INCOME

Responsibilities:

- Students will visit your booth when they are in financial trouble. You will be counseling students on their best options.
- Display copies of the Supplemental Income student handout at your booth.
- Have students add a “Supplemental Income” line on their ledger.
- Start by seeing if there are places where students could be thriftier before having to take on more work. (See the tips below.) If their expenses do not match the requirements below, send them back to the Housing and/or Car Dealership booths. Encourage students to modify their budgets to live within their means when possible.
 - Your house payment (or rent) should never be more than 33% of your household take-home pay.
 - You should buy a vehicle with the lowest car payment that fits your family’s needs.
- Those with children should avoid taking a second job to have time with their children.
- Single parents can add child support to their ledger.
- For those who must take on additional work, have them consider how many extra hours they could work each month, and remind them to be realistic in their choices. They will multiply this number by the hourly wage to get their supplemental income.
- Have students record these funds on the “Supplemental Income” line of their ledger.
- Initial the box on the ledger sheet to show that students have visited your booth.
