

VALUES CHART

Reflection Question	Value	Work Style/What do I do that demonstrates this?
What is my top priority when working on a project?		
What part of the project work do I enjoy most?		
What would perfect group work look like to me?		
What would I do if there were no limitations on how I carry out completing a project or solving a problem?		

Make a personal goal for how you can work best with different styles and values in a group.
