

DIGITAL RESEARCH POSTER GUIDE

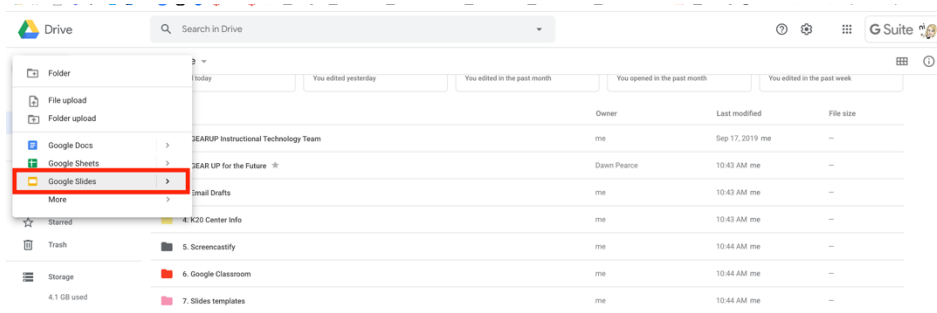

How to Create a Digital Poster Using Google Slides

1. Brainstorm

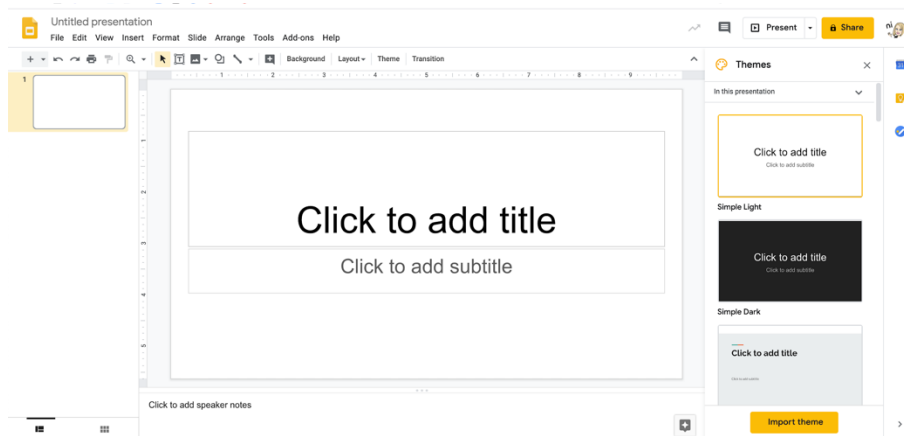

- Keep the following questions in mind as you brainstorm ideas for your digital poster:
 - Who is the famous person and what are they known for?
 - Why are they important to you?
 - What challenges did they face throughout their journey?
 - How did they overcome these challenges?

2. Create your poster

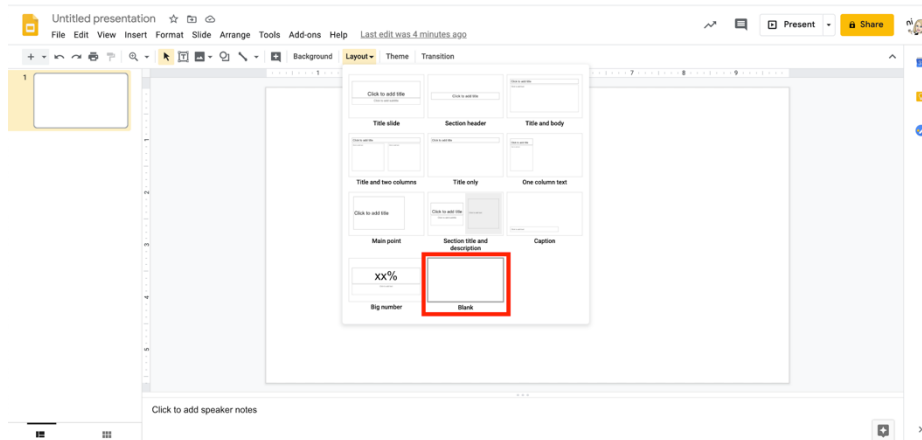

- Open Google Slides

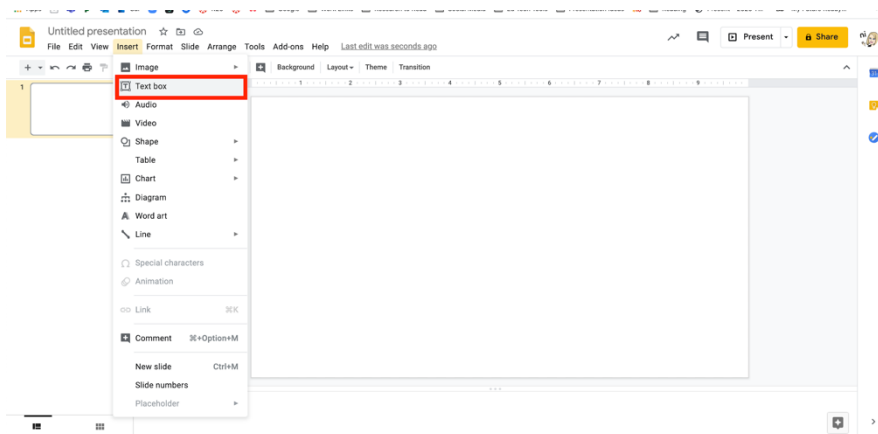

- Select a theme

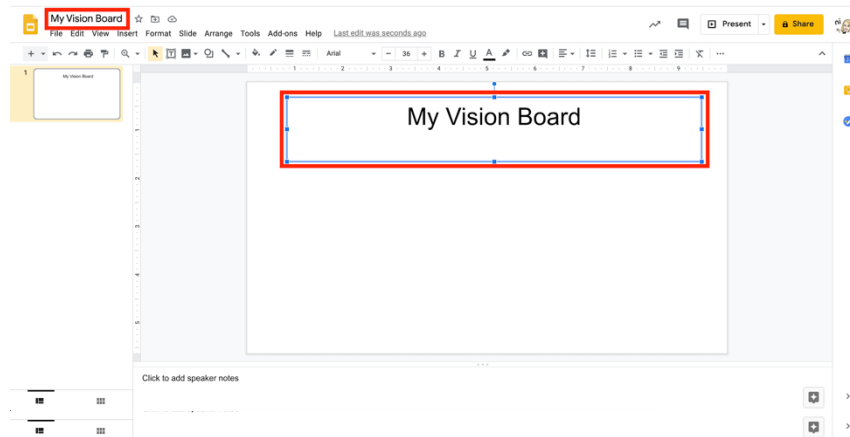

- Change the background to blank

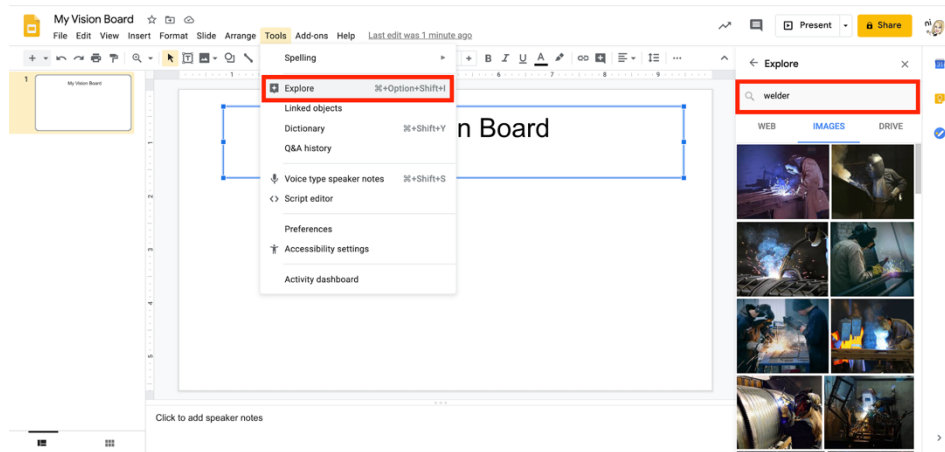

- Insert a text box to use for your title

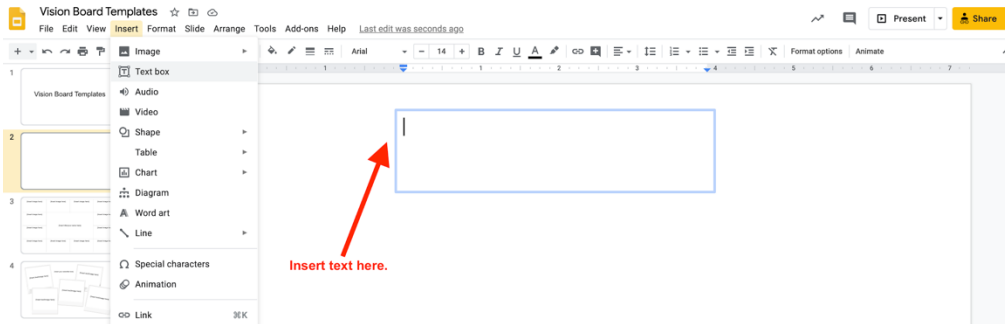

- Title your poster

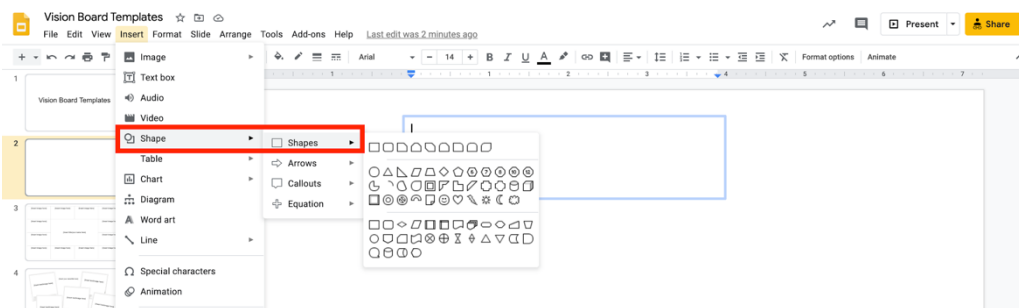

- Add images
 - Select “Tools,” then “Explore.” Then, type in a word to search.

- Select images
- Add words, GIFs, lines, arrows, etc.
 - Select “Insert,” then “Text Box”

- Select “Insert,” then “Shapes”

3. Resources

- Google Teacher Center
- Google Slides Product Guide
