

WINDOW NOTES

Name: _____

Hour: _____

Take notes in the boxes below when prompted according to the directions.

Population Density of Tokyo

<p>What do you notice about the pictures? The subway? The hotel? The street crossing? Write three observations.</p>	<p>What do you notice about the maps of Tokyo? Write three observations.</p>
<p>What conclusions can you draw about Tokyo from the pictures and maps?</p>	<p>From the reading, how does Tokyo plan and prepare for population-related issues?</p>

What did you learn from the interview about the daily work of a city planner? What types of planning do they do?

Summary: Demonstrate Your Learning

Can too many people live in one area? If they do, in what ways can they work and live together comfortably?
