

FINDING A GEOGRAPHICAL FEATURE—MAP STUDY#3

Name:		Date:				
1. What is the name of a book where you have found mention of a geographical feature? (For example: <i>Mauna Loa: The Largest Volcano in the World</i> by Christine Weber)						
2. Circle the feature you have identified:						
Canyon	Volcano	Lake	River	Desert	Forest	Tundra
3. What is the name of this geographic feature? (For example: <i>Mauna Loa is the name of a volcano in Hawaii.</i>)						
4. Where is the geographic feature located? (For example: <i>Mauna Loa is located on the south-central part of the island of Hawaii, Hawaii state, U.S., and a part of Hawaii Volcanoes National Park.</i>)						
5. I know this is a _____ because...						
(For example: <i>I know this is a volcano because it's a big, mountain-like structure made of dirt and rocks with an open top. Smoke and ash come out of the opening on the top sometimes. Since it is an active volcano, it sometimes spews lava, which is a hot, red liquid.</i>)						

PICTURE OF MY GEOGRAPHIC FEATURE

CHALLENGE QUESTIONS

1. What is the longitude and latitude of your geographic feature?

2. Where can you find other geographic features around the world like this one? List them here.
