

## WRANGLE UP DOMAIN AND RANGE

Sketch a graph that has the given characteristics.

1)  $D: \{x \mid x \in \mathbb{R}, x \geq -4\}$   
 $R: \{y \mid y \in \mathbb{R}, y \geq -3\}$

2)  $D: \text{All Real Numbers}$   
 $R: y \leq 3$

3)  $D: [-3, 4]$   
 $R: (-3, 2]$
