THE MOBIUS BAND EFFECT

Answer each of the following questions to better understand what is happening in the world of Wind and Mr. Ug.

1. Describe the world of Wind and Mr. Ug to someone who may not understand. What is happening? Why is this interesting?

2. Can you prove that your Mobius band has only one side and only one edge? Explain below.

3. Is the Mobius band a 2D or a 3D object? How do you know?
