

## CLAIM – EVIDENCE – REASONING

<b>Claim</b>	
Your response to the question: What type of person do you believe _____ is? ( <i>your group should use the character selected for the SMART analysis</i> )	
<b>Evidence</b>	
Provide data to support your claim. Evidence should be relevant and sufficient enough to convince someone that your claim is correct. This can be written using bullet points.	
<b>Reasoning</b>	
Explain how & why your evidence supports your claim. This should be written in a paragraph format.
