STATION 2

“There's several ways of saying what's on your mind. And in states and countries where it ain't any too healthy to talk too loud, speak your mind, or even vote like you want to, folks have found other ways of getting the word around. One of the mainest ways is by singing.... If the fight gets hot, the songs get hotter. If the going gets tough, the songs get tougher.”

—Woody Guthrie, 1942
