

ANTICIPATION GUIDE

Statement	Agree (A) Disagree (D)
My individual feelings, choices, and needs are more important than everyone else's.	
Decisions should be made based on what helps the most people even if it means I must sacrifice more.	
If something is wrong for everyone else to do, it should be wrong for you to do too.	
People who break the law are bad people.	
Stealing is always wrong.	
Profiting from others' misfortunes is always wrong.	
People who do not break the law are good people.
