

# GOOGLE EXPEDITIONS QUICK START GUIDE

## Before the day of the tour:

1. Choose the Expeditions you want to use in your class.
2. Download these Expeditions to the teacher tablet **using your school's regular Wi-Fi.**

## On the day of the tour:

1. Connect the teacher tablet to the Expeditions router using the **information on the back of the router.**
2. Go to the "class" tab and select "guide."
3. Select "get started" and choose the tour you downloaded.
4. Select "guide" and post the code in a visible location.
5. After all students have joined, select "start" to begin.

## Steps for students:

1. Open the Google Expeditions app.
2. Select "class" and "explore."
3. Select "join" and make sure the tour code matches the posted code.
4. Select "join" again.
5. Place the device in the viewer and close.
