

## NOTE CATCHER

| Strategy                   | What is it? | How does it promote discourse? | How can I use it? |
|----------------------------|-------------|--------------------------------|-------------------|
| S-I-T                      |             |                                |                   |
| Honeycomb Harvest          |             |                                |                   |
| Talk Moves (Say Something) |             |                                |                   |
