

# SKYPE IN THE CLASSROOM

1. Go to <https://tinyurl.com/skypek20>
2. Under “Type of Results” find and select for option titled “Guest Speaker Sessions.”
3. Use the “Filter by Subject” dropdown to select “Reading and Writing.”
4. Find and select the session titled “Not Everyone Learns The Same Way.”
5. Explore the information and resources available for this speaker session.
6. Click the back button and select another speaker session that your students might enjoy.
7. Select a YouTube video or other resource to diver deeper into the session.
8. Click back to the initial page and explore further by selecting other “Types of Results,” including “Collaboration Projects” and “Virtual Field Trips,” as well as any others that interest you.
