

## NCCEP Capacity-Building Workshop

Seminar 22

February 6, 2018

### Up Your Game: Advancing Readiness Through Gaming

#### Session Objectives

Reflect on prior learning experiences and identify what makes them meaningful.  
Explore the pedagogical supports facilitated by games (Engagement, Motivation, etc.).  
Provided a specific game, explore the learning associated with the game experience.  
Explore how to meaningfully integrate games within a classroom learning experience.

- ❖ Engage | Meaningful Learning
- ❖ Explore | Connecting Motivation & Learning
- ❖ Explain | The Student & Learning
- ❖ Explain | The Learning Experience
- ❖ Extend | Preparing to Advocate
