GRASSHOPPER

Summary

Grasshopper is a Google product that uses Javascript in all of its curriculum. It starts with the fundamentals of coding and works up to animation, and then to webpage design.

Procedure

1. Go to <https://grasshopper.app/>.
2. Click "SIGN IN" in the top-right corner.
3. Select "SIGN IN with Google."
4. Under the Welcome title, click "GET STARTED" for Fundamentals.
5. Follow the directions prompted on the screen.

Learn to code. (n.d.). Grasshopper. Retrieved December 20, 2022, from <https://grasshopper.app/>
